

Develop Effective Leaders with PI Inspire

Overview

Leaders are the linchpin in an organization, but most are unequipped to lead. This negatively affects your brand, retention, and productivity—and can threaten your business.

This workshop helps leaders develop a clear understanding of their strengths, leadership style and areas for improvement. You'll empower your leaders to build stronger 1:1 relationships, motivate their people, and get exceptional results.

Learnings

After attending, participants will be able to:

- Increase the self-awareness and effectiveness of your leaders
- Reduce unwanted turnover
- Help leaders personalize their approach to each direct report
- Acquire a common language to easily navigate people dynamics
- Avoid common missteps when leading people

Format

This half-day workshop is delivered in person or virtually by expert facilitators.

Audience

- Executives
- People managers
- Human resource and development leaders

Avoid falling behind. Elevate your leaders to drive your business.
